## Blue Mountains

1. Blue Mountains, I know you  
I'm in Lusatia again  
Where blowers grow so beautiful  
Blooming Wendish lands  
This is my homeland,  
Which makes me happy inside.

2. And I hear well-sounding Wendish words  
Sweet sounds of every greeting  
What I have in my mind And in my spirit  
I kiss all of my loved Wendish friends  
Today flowers are growing for me  
Today I'm lucky!

3. A sweet feeling of happiness  
Consolation warms the heart  
What a vital heart-beating  
What a happy feeling to be in my Wendish homeland again  
Where my thoughts are playing.
